## Supporting and enhancing our community

After 24 years on New Forest District Council, longstanding Brockenhurst Councillor Maureen Holding is retiring. First elected in 1999, she quickly became a highly effective Councillor and then Cabinet Member. From initiating the successful 'Save our Hospitals' campaign to the battle won for additional care home beds in the Forest, Maureen's record is impressive and her dedication to local people is to be admired.

Michael Harris said: "Maureen's experience and longevity will be a loss to the District but I wish her well in this next chapter".

Maureen responded: "Thank you, the electors, for your years of support, it has been the honour of my life to serve you and together I hope we've made a lasting difference. I know you will be well represented in this new one member ward".
