

Alan and his wife Joyce have lived in the area for over twenty years. First elected in 2011, Alan has dedicated much of his time to being a community Councilor. He is currently Chairman of Fawley Parish Council and is keenly interested in keeping our local environment clean and green.

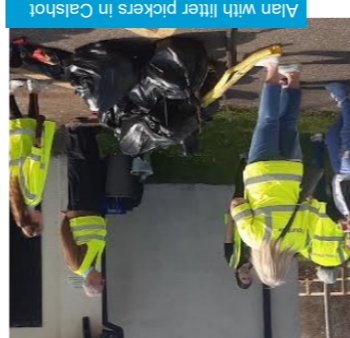

Matthew and Alan were instrumental in the planting of the Wildflower Meadow on Calshot Road

Alan and Matthew have worked very hard over the last several years and improving facilities for residents and supporting the organisation of free events for everyone to enjoy. Successful celebrations have included Armed Forces Day, The Queen's Platinum Jubilee events, a great Bonfire Night and the installation of a Parish Christmas Tree. Alan and Matthew have also supported improvements to play areas, helped provide planters and hanging baskets and were key in the set up of the dog walking park at Gang Warily.

### 1 Our Community

If elected, Alan and Matthew have so much more planned for the local area. This includes increased Youth Support and free meals during the school holidays, additional allotments, bulb planting and better bus shelter provision around the Parish. Working with the Parish Council, the highlight of their planned events for this year will be an excellent set of celebrations for the Coronation of King Charles. Both Alan and Matthew are keen to help foster an sense of community across South Waterside and this is just one way they will achieve this.
