

Josie Poole & Allan Glass

We have always sought to be proactive members of the community, contactable and willing to help. Unlike our opposition, we have a good attendance record at Parish Council meetings! We love our special part of the New Forest and want to do our best for everyone in our area. We can't change what happens in Westminster, but here, locally, with your help, we can improve our community and the lives of all of our residents.

We pledge to:

1. Enhance and protect our area via a Neighbourhood Plan
2. Improve transport, foot and cycle links
3. Invest in our Parks and Open Spaces
4. Provide more Events and Activities for our young people

Your vote is very important and will decide who speaks up for our special part of the New Forest.

With thousands of new homes planned for the Waterside, the potential dualling of the A326, the possibility of a reinstated passenger rail service, the new Southampton Freeport, and so much more on the horizon, we know that at this critical moment everyone's interests must be served by the best possible candidates. We truly believe that we are those candidates and we are really excited to have the opportunity to continue to work with you, delivering on the priorities that matter most to our community.

We pledge to:

1. Enhance and protect our area via a Neighbourhood Plan
2. Improve transport, foot and cycle links
3. Invest in our Parks and Open Spaces
4. Provide more Events and Activities for our young people

Dear Resident,

YOU HAVE 2 VOTES TO ELECT:

Allan GLASS	X
Josie POOLE	X

Sir Julian Lewis MP, says: "I encourage you to VOTE for Josie and Allan. Both are known locally and have a proven record of action. They are both first class Councillors!"

Elect local champions who work hard for our community all year round!

Josie attended all summer consultation days where you asked for more affordable or free events. As a result of which, Fawley Parish Council had their first Christmas Pantomime, a free minibus for families to attend Hythe's Halloween Treat Trail and an outside cinema for the King's Coronation. She pledges to do more if elected!

Allan chairs the Parish Council's Estates and Facilities Committee, which oversees the play areas and leisure facilities, including the new Dog Park on the old golf course at Gang Warily, which was prone to flooding. It has been a joint project between NFDC and Fawley Parish Council. There is still work to be done, but it is already proving very popular.

How your vote for ALLAN GLASS and JOSIE POOLE will continue to deliver an even better Hardley, Holbury & North Blackfield

Josie raised her four children in Holbury with them attending all the local schools, as well as running her shop, 'Allsorts' on Long Lane for a decade. She has been a Parish Councillor for the last four years and her interests lie in provision of better services for our young people and families. She is delighted with the ongoing efforts of our lovely youth workers.

Allan has been your District Councillor for 12 years and a Parish Councillor for many more. He chairs the Estates and Facilities Committee and is delighted to advise that charges have either been frozen or reduced in order to help residents with the cost of living. He served as NFDC Chair and is also on the Planning Committee.

1 Cost of Living Help

Allan and Josie are very proud of Conservative-run Fawley Parish Council's pledge to help residents with the Cost of Living. Gang Warily's Warm Room is open every day with access to free hot drinks, snacks, shower access and WiFi. The washing machine is also free to use with two-hour bookable slots, which is getting plenty of use at this tough time for families. Contact Gang Warily to book your slot.

2 Improving our Villages

Last year, Josie asked you whether you would like to see our verges cheered up with bulbs in the spring and many of you agreed. With the help of funding from the County Council, she is delighted to report that Fawley Parish Council will be undertaking the bulb planting of 10,000 daffodils later in the year, along many of the verges along the A326 and beyond. Josie says, "You asked and I acted. I can't wait to see the results next spring!"

3 Listening to Residents

Last summer, Fawley Parish Council conducted consultation days asking residents what they would like to see from the council. Allan and Josie attended these and found them enlightening. You asked for more events, which are now beginning to happen, as well as more things to do for families. Allan and Josie were out on the doorsteps in Holbury recently, hearing how they can help you. Do get in touch if you need their help.
