# How your vote for SUE BENNISON and RICHARD YOUNG will continue to deliver an even better Marchwood & Eling

## 1 Supporting our area

Sue and Richard have a proven track record of supporting local groups and good causes. Sue has worked tirelessly on improving the Admiralty Quay Promenade and recently provided a Councillor Grant for the Village Hall Toddlers Group which enabled them to purchase floor mats. Likewise, Richard regularly leads on numerous community initiatives such as the charity shopping bags, proceeds of which supported our NHS staff. Using funds which are available to Sue and Richard, is important to help groups across our communities to be successful.

## 2 New Infrastructure

Both Sue and Richard support infrastructure plans which will significantly improve the state of our roads and possibly dual the A326. Sue and Richard will continue to strongly advocate for improved road capacity to relieve congestion in and around our village centre. With new housing potentially being planned between Marchwood and Eling, it is crucial that our communities are at the heart of decision making, with our local roads brought up to sustainable and improved. ## 3 Better Connectivity

Sue and Richard know that it is vital we improve key transport links through an evidence-led combination of road upgrades, enhanced public transport connectivity, and championing walking and cycling where possible. Sue and Richard are open minded to the reopening of the railway, but only if it makes financial sense and does not adversely impact Main Road and Junction Road. Sue and Richard have also been working with residents of Eling Hill to try to resolve traffic issues there and to explore solutions for the sustainability of Eling Toll Bridge.

*Dear Residents,*  
Your vote is very important and will decide who speaks up for this special part of the New Forest. We truly believe that we are those candidates and we're really excited to have the opportunity to continue to work with you, delivering on the priorities that matter most to our area. We've sought to be both approachable and contactable. You've told us that you have concerns regarding local development, the possibility of port expansion and the need for better infrastructure. We've listened and we're working hard on these issues. There are always solutions! If elected, we will strive to ensure that everyone here has the opportunities to succeed, because success is infectious and your successes are our communities successes. Together we know that we will be positive influential voices and champions for all of Marchwood & Eling. We can't change what happens in Westminster, but here locally and with your help, we can improve our area, the community and the lives of all of our residents in the New Forest.
